CDC recommends that facilities should spore test their sterilizers <u>at least weekly</u>.

To use this calendar, mark the date that you ran the spore test, then initial the box next to the week after mailing in your test!
If you have any questions, contact Crosstex at (800) 722-1529 and ask for the sales department.

Place complimentary sterilizer ID label here.
(No labels – email: labels@spsmedical.com to request some at NO charge.)

Spore test results available online at www.checkyourtest.com. Additional calendars are also available for download.
